Education

Sheridan College, Honours Bachelor of Interaction Design
Oakville, ON | September 2022 - April 2026

Learned & developed UI/UX relevant skills including user research, visual design, user testing, web development & more. GPA: 3.89

Experience

Web Designer & Front-End Developer, Gryphon Aerospace
Remote | February 2026 - September 2026

- Designed & visualized 5+ high-fidelity wireframe solutions for Gryphon Aerospace's club website.
- Developed & implemented designs using HTML, CSS & JS as well as Github & Visual Studio Code.

Visual/Web Designer, Hackville
Oakville, ON | April 2025 - April 2026

- Worked closely with the Design Team to design the website for Hackville's 2026 season, resulting in 3k+ active users and 200+ hacker sign-ups during registration period.
- Created & critiqued various visual materials for Hackville, including posters, physical event name tags & opening ceremony slides.
- Closely followed a design system to ensure consistency.

UI Designer & Front-End Web Developer, Boundless Life
Remote | January 2026 - March 2026

- Conducted a UX audit on internal members platform portal, identifying 15+ potential areas for improvement.
- Designed & pitched 14 screens with design improvements & collaboratively wireframed 25+ prototypes showcasing proposed micro-interactions.
- Worked with Ruby on Rails to implement 5 design changes, enhancing the internal platform's user experience overall.

Figma Design Lead, Learnhall
Remote | April 2025 - September 2025

- Designed digital-based solutions and design systems for various SMBs across the globe.
- Developed & visualized high-fidelity wireframe solutions in Figma.
