### Education

Sheridan College, Honours Bachelor of Interaction Design Oakville, ON | September 2022 - April 2026

Learning & developing UX / UI relevant skills including user research, visual design, design methodologies, information architecture, web

development, data visualization and more. GPA: 3.87

## **Projects**

#### Balance, Sheridan College

September 2023 - December 2023

- Triangulated findings from primary & secondary research as well as a Spradley Matrix to identify the target demographic.
- Created low-fidelity wireframes and prototypes in XD to visualize accessibility-focused design solutions. Conducted usability tests.
- Coded a high-fidelity prototype using HTML, CSS and JavaScript.

#### Vitamin ME, Sheridan College

February 2023 - April 2023

- Utilized human-centred research methods & triangulated findings to understand the target audience.
- Developed & visualized solutions using low-fidelity wireframes, user flow diagrams and style tiles.
- Built a self-care mobile web application with 5 independent features using HTML, CSS and JavaScript.

# Volunteering

#### Sheridan College, Student Gallery Assistant
